Small Works is Trestle Gallery's annual open call featuring artwork made at 12 inches or under. This year's exhibition was curated by Sharon Loudon and features artists working both nationally, and internationally - from Brooklyn to Berlin. Join us, Thursday July 26th, for the opening reception of this grand salon of petit works!

This year's open call amassed 750 applications. As a way to thank and show appreciation to those that support Trestle Gallery's artist opportunities, we have invited those artists who were not selected to participate in our first ever online exhibition. The Small Works 2018 Online Exhibition will go live in tandem with the opening reception July 26th, and it will be on view through the end of December.
